# YOUR GOLD COAST BALLOON EXPERIENCE

Come and join Balloon Down Under for a once in a lifetime 1 hour hot air balloon flight over the beautiful Gold Coast.

**This is the only FULL SERVICE, VIP balloon flight in Queensland.**

Clear air and stunning views from Brisbane to Byron Bay make the Gold Coast one of the best balloon flight areas anywhere in the world.

Float gently with the breezes 1,500 – 2,000 feet above the Gold Coast as you enjoy the experience of the oldest form of flight. The peace and gentleness of the flight will surprise you as your pilot guides the balloon using the different wind currents at different heights. Become one with the wind – see the suburbs of the Gold Coast as they come to life in the early morning, see the Hinterland as the sunrise strikes the green forests, mountains and valleys, watch the golfers start their early morning game on one of the many courses we fly over, call out Good Morning to the many watching us from the ground on their early morning walk or getting ready for the day's activities.

Then celebrate your flight with a lovely Champagne Breakfast.
